

NEW LIFE NEWS

EDUCATE. EQUIP. EMPOWER!

In need of a safe place to land her with her son, Jeni came to New Life Mission thinking she wouldn't stay long. *"I was expecting to leave in a few months. Little did I know, that was not God's plan. He had something much greater in store for me."*

Given the space to heal from her past, the opportunity to truly know herself, and time to learn to trust God, Jeni found herself in an unfamiliar place. A place to dream again!

"Follow your passion; it will lead to your purpose," was a quote that intrigued Jeni. Years of struggle never allowed any time for dreaming. With encouragement from staff and volunteers, Jeni discovered her passion. She wanted to become a Fire Medic!

Jeni was accepted into the Emergency Medical Technician Program at Eastern Florida State College in 2020. Awarded the Anita B Fadden Education Scholarship and funds from the Harbor City Volunteer Ambulance Squad, Inc., Jeni got the books, uniforms, and tools needed to start school.

"Going back to school as a 35-year-old working mother was a huge challenge. The first few weeks were overwhelming, but I was able to get through with plenty of prayer and support from friends, family, and NLM staff," Jeni said.

This May, Jeni proudly completed the EMT Program. Upon completion of the program, she also passed her NREMT (National Registry for Emergency Medical Technicians) exam and received her NREMT certificate.

Jeni is staying at New Life Mission and will attend the fire academy at EFSC this fall.

"I could not be more excited! I fell in love with EMS during my EMT class. I cannot wait to educate and challenge myself in the fire academy, and am so looking forward to a career in EMS." - Jeni

New Beginnings

a note from our CEO

We are in awe of what God has done to allow us to purchase our new campus. We do have a lot of renovation and work ahead of us before we open it to families, but the location, existing buildings, and layout are all usable and well-suited for our ministry!

The day before the closing, I did a prayer walk with staff and a few board members and donors. That morning I read [Acts 3:2-11](#). It's a story you may be familiar with, where Peter and John heal a beggar by the "Beautiful Gate."

What stands out to me in this passage is that the beggar wasn't given the money that he asked for, but rather he received what he REALLY needed, healing. Verse 7 tells us, *"Taking him by the right hand, [Peter] helped him up, and instantly the man's feet and ankles became strong."*

That reflects so well what we do at New Life Mission!

We don't offer fast, easy fixes that many women seek when they first come to us. Rather, we take their hands, hold them up, and when their feet and ankles become strong, we watch them RUN, praising their spiritual healer, Jesus!

I am looking forward to welcoming you onto the new campus through the newly renamed Beautiful Gate, as we create another space for healing and hope.

Blessings,
Stacia

New Beginnings: Graduation 2021

On May 27th, New Life Mission proudly graduated four incredible women from our program!

Opening the evening in prayer and reflection, Stacia shared this quote:

*"I asked for strength, and God gave me difficulties to make me strong.
I asked for wisdom, and God gave me problems to learn to solve.
I asked for prosperity, and God gave me a brain and brawn to work.
I asked for courage, and God gave me dangers to overcome.
I asked for love, and God gave me people to help.
I asked for favors, and God gave me opportunities.
I received nothing I wanted.
I received everything I needed."* - Hazrat Inayat Khan

We are immeasurably proud of these women and ask you to join us in praying for their families as they step into the future God has set before them.

Creativity + Job Skills =

The Transformed Shop sewing center is a safe place for the New Life Mission program students to heal and create. It is also a place where they learn transferable job skills, such as:

- Time management
- Teamwork
- Attention to detail
- Troubleshooting and adaptability
- Following verbal and written instructions
- Leadership as they teach other students

New Product Alert!

The pieces of denim lovingly stitched together in our patchwork tote bags symbolize the journeys of the moms in the New Life Mission program. The best pieces from the past are selected and rearranged, and then transformed into something new and beautiful. Pair it with a matching keychain for the perfect gift!

Know some college kids home for the summer?
Have teens who need volunteer hours?

Are YOU ready to come out to volunteer?

You can help in the sewing center, paint and set up new apartments for families, or teach life skills. Come as a group, individual, couple, or as a family!

Log on to www.NewLife-Mission.org/Volunteer/ and see where you can make a difference!

Background checks and training are required, and there are age minimums for certain tasks.

Volunteer Spotlight

What a blessing Lori Lewis has been by serving in so many ways in our ministry.

Lori began serving with a group of girlfriends at Transformed Shop. Their group enjoys girl time by serving together and then lunching together. This also has led each of them to serve additionally in individual ways.

Lori has continued to share her crafting and creative side with our students as a Life Skills mentor. Her husband Dave recently shared how excited they are for our new campus, New Life Village, and are already thinking of ways they can connect their church to our needs. Lori shares that she and Dave *“love the holistic Christian emphasis to help women provide for their families, financially, spiritually and emotionally. The students learn life-giving skills as they are shown the love of Christ.”*

Thank you, Dave and Lori Lewis, for the many ways you serve New Life Mission.

If you would like more information on ways you can serve our needs, please contact Karem.S@NewLife-Mission.org.
