

Meet Your Co-Chairs

Karem Sapp

Karem has wholeheartedly championed the mission of New Life Mission in roles that have allowed her to witness the transformative impact it brings to the lives of women and children. As Co-Chair for Community Care & Share 2024, she envisions a future where New Life Mission can continue to grow, uplift and empower those in need.

Karem is a native of Caguas, Puerto Rico and has called Brevard County her home for 22 years. Family is at the core of her life as a wife of over 27 years to her husband, Denny Sapp and a dedicated mother to their daughters, Taylor, Hailey and Celeste. Together, the Sapp family has developed a heart for serving the needs of others through their faith walk, volunteerism and careers. Professionally, Karem enjoys her role in Community Outreach, which allows her to continue a passion of fostering relationships to connect people and community resources.
