sleep!

Housing costs in Brevard County have increased significantly in the last year, and many women and children are facing evictions, feeling trapped in unsafe homes, living in cars, motels or even on the streets. Your gift will provide much-needed rest at the Mission. Providing a mother and child with a safe, clean bed and a peaceful night of sleep meets a basic need that leads to transformation.

\$175 for 1 week of housing

\$700 for 1 month of housing

\$4,200 for 6 months of housing

\$9,100 for 1 year of housing

GIVE A GIFT OF

Childcare

This year, New Life Mission celebrated the 1-year anniversary of our childcare center, Kids Academy. When a mother knows her children are safe, she can focus on working hard in our program. Her children receive biblical-based childcare, after-school care and tutoring. The Academy caters to the unique needs of children who have experienced the trauma of homelessness.

\$175 for 1 week of childcare

Dear Partner,

Who knew spaghetti could be so symbolic?

I'm writing to share with you the Hope that **one family finally has for their future.**

Jelema and her son, Ke'Jahni, came to New Life Mission after the last in a series of controlling relationships. She tried to make it on her own, but found that her full-time job at McDonald's didn't cover her rent, or later hotel stays, and childcare.

"When I came to New Life Mission, the first meal I had was spaghetti. Spaghetti wasn't even my favorite food," said Jelema. **"But now spaghetti is my favorite food,** because it was the first meal I made in my own apartment. I had my own fridge. I didn't have to worry about anyone taking anything away from me."

Jelema used to believe that nothing good would ever come to her. "That's what I was told," she said. "My dad told me I was too dumb to go to school." But since coming to New Life Mission, Jelema has earned her driver's license. "And I went to school," she said. "I'm a home health aide and also a CNA. I'm going to school at night to be an LPN. I want to be an RN someday. I used to say to myself, 'You can't do it.' Now, I know I can do it."

None of us is expected to do it alone, which is why I have enclosed the **2023 Gifts of Hope Gift Guide.** When you give a gift (or two or more!) your generosity will directly impact single mothers and their children who have experienced homelessness right here in Brevard County. You may also consider giving a Maximum Impact gift. We'll make sure those funds go where they are needed most right away.

The Christmas season is one of HOPE for so many of us. Thank you in advance for giving from our Gift Guide to make real life-change possible for a hurting mom this Christmas.

May God bless you abundantly!

This year, you may donate by opening the camera on your phone and scanning the QR code to give!
