COMMUNITY CARE & SHARE 2026
APRIL 9TH AND 10TH

PRESENTED BY ROBERT RANEW

A MILLION DREAMS

A FUNDRAISER FOR
New Life Mission

Once a year, a gathering of dreamers fills the room - 800 community leaders and professionals come together for New Life Mission's *Community Care & Share* Luncheon. In just two days, this inspiring event generates one-third of our annual budget, providing the support that helps homeless women with children move from crisis to stability and generational transformation.

Joshua & Diana Adams
Co-Chairs

This year's theme, *A Million Dreams*, reminds us that when families are stabilized and given the chance to heal, they are free to dream again. That renewed hope launches families into possibilities once out of reach - owning a home, building a career and creating a stable future for their children. With your support, dreams once unimaginable become a reality for generations to come.
